

FAIR DAILY LEDGER

TUESDAY.....AUGUST 30, 1881.

THE PRESIDENT.

We learn by a private telegram this morning that President Garfield is noticeably better. Dr. Hamilton, of New York, says he will get well.

No theatre to-night.
Speed rings every day.
Sturgeon Fair this week.
The track is in good order.
George Harper is ticket agent.
Charley Grasty is at home sick.

The DAILY LEDGER is not a patent sheet.

Special term of the county court Aug. 31.

No liquor will be sold on the Fair Ground.

No gambling schemes at the Fair this year.

Next Saturday will be a big day in Mexico.

Plenty of good water at the Fair Grounds.

Don't fail to go to the Fair and see the buffalo chase.

The Perry Brass Band will furnish music for our Fair.

No gambling schemes are allowed on the Fair Ground.

A. C. Perrin will run the dining hall at the Fair Ground.

Articles entered in floral hall must be left till Saturday evening.

A good opera troupe could have made \$1,000 this week easy.

Dr. S. M. Dodson, of Martinsburg, is going to move to Mexico to live.

Our streets were neatly cleaned Monday. They should be kept clean.

A. C. Perrin has the dining hall privileges, and uses booths 1 and 2.

Greenbackers want to hold the two old parties responsible for this long dry spell.

Our Fair Daily has a circulation, not of 75 or 100, but of 700 copies every day.

The Fair Daily recommends itself for cheapness at least. It is free gratis for nothing.

Mathew Vassar, the man who founded Vassar College and chewing gum, is dead.

Joe Stanhope, one of the best horsemen in the State, has our thanks for stock items.

The Callaway County Fair will not come off this year at all. The dry weather was too much for it.

J. W. Carson is at Congress Hall, Saratoga. He has our thanks for papers. Will be home Sept. 10th.

As long as Greenback speakers get \$25 a speech and expenses, we don't blame them for keeping the "wake" going.

The Bible tells us man was made of the dust of the earth. Now is a good time to stock a new world with men.

We will publish no more snake stories, unless the snake is ten feet long. Petty lying should be discouraged.

The St. Louis Fair opens Monday, October 3rd, and closes Saturday, October 8th. \$50,000 is offered in premiums.

The rain of Monday night completed the arrangements for our Fair. We will have the best Fair in the State, outside of St. Louis.

J. W. Carson, of this city, has made \$25,000 in clear money within the last month speculating in grain. "Kit" knows how to make money and enjoy life.

Mrs. Williams, wife of the "slap" Doctor Williams, fell down stairs last Saturday, and was badly bruised. It is unnecessary for us to state that no amount of "slapping" would cure her.

FAIR PROSPECTS.

Our Electric Wonder

The Greatest Household Remedy

That has ever been offered on earth for all

Nervous and Inflammatory

ACHES and PAINS.

IT CURES

The following diseases in from three minutes to three days

Rheumatism,	Diphtheria,	Inflammation of kidneys,
Sprains,	Tightness in chest,	Burns and scalds,
Stiff Joints,	Catarrh,	Fresh cuts and bruises,
Neuralgia,	Earache,	Bunions and chilblains,
Headache,	Toothache,	Colds,
Pain in side,	Cramps,	Coughs,
Pain in breast,	Colic,	Croup,
Pain in shoulder,	Cholera-Morbus,	Sore throat,
Pain in back,	Diarrhoe and Flux,	Corns and frosted feet.

This great remedy should be in the hands of everyone, as it is everybody's Wonder, and by having a bottle or two on hand ready for use it not only saves oftentimes going miles after a physician, probably in a storm or dead hour of the night, but saves suffering pains and torture, and probably may be the means of saving your life. There can be no danger in using it, as it is perfectly harmless when used according to directions. It is composed of purely vegetable matter, such as Nature has endowed with wonderful healing and sedative properties, and is prepared in the most scientific manner. By applying and rubbing with the hands it penetrates to the very bone, and of course allays pain almost instantly. It is also a nice, clean preparation—no danger of soiling clothing or blistering any one, as is the case with filthy liniments composed of oils, coal oil, etc., and at the same time it is a safe and valuable remedy to use internally whenever a stimulant is required.

For Horses it has no equal for the cure of Rheumatism, Sweeney, Sprains, Bruises, Cuts, Saddle and Harness Galls, Bots and Colic. For the two last named diseases it is a specific and should be in the hands of everyone who owns a horse. So all persons that wish a good and reliable remedy will find it to their interest to purchase our ELECTRIC WONDER, as it fills so many important indications both as an internal and external remedy for man and beast.

We could produce hundreds of testimonials proving its wonderful power in curing diseases for which it is recommended, but one trial will prove to the most skeptical that our ELECTRIC WONDER is the greatest triumph for relieving and curing pains that has ever been offered to the public. If it does not prove satisfactory, return the bottle to me and I will refund the money. Price \$1 00.
